

WEDDING QUESTIONNAIRE

Hello there,

And congratulations on your engagement!

We're so glad that you're considering using The Dream Team to assist in bringing your wedding dreams to life!

It's an absolute privilege to be a part of your big day and when choosing A Dream Come True, you can rest assured that our team will go above and beyond to ensure your day looks as perfect as possible.

We're a super diverse team, from all walks of life, with experience ranging from wedding management, event planning and coordination, décor and flower styling, service departments such as front of house, bartending and waitressing, staff supervision and a host of other areas.

Straight candles, chairs, napkins, cutlery, glassware - we're sticklers for detail and that's just another reason why we're the best team for your wedding styling!

We've successfully brought over 150 wedding dreams to life over the last 7 years and we're looking forward to bringing even more to life over the coming years.

We're a bunch of hopeless romantics and you wouldn't find anyone more passionate about weddings than us.

We don't have a minimum spend for our decor and floral styling services, but we do ask you to be open minded and realistic about the possible cost of decor and flowers that you'd love to have for your day. Remember that we're here to help give you advice on ways to make your budget work for you but bear in mind that there are a lot of factors that impact on the costs associated with your requirements. In general, and taking all these factors into account, budgets range anywhere from R15000 and upwards.

If your wedding is out of town and strike is expected the day after, we prefer to stay over in reasonably priced accommodation that we will source. This is just so that we don't have to charge you for travelling 4-6 times to and from your venue and ensures that we are on time to adhere to your venue's rules.

We love meetings, whether in person or virtually. Either way, we just can't wait to hear about all that you envision for YOUR wedding day. Please tell us EVERYTHING! ♥

Below are just some questions to get an idea of what you have in mind. Once received, our team goes through the detail and if we need clarity on any of the aspects or further information, we'll be in touch. Please send us as many pictures as you can or a link to your Pinterest board so, that we're on the same page, always.

For now, keep on dreaming those wedding dreams...
